## Overview

---

The 38's two-stateroom, one-head layout is plenty comfortable for weekend cruisers, either a family with one or two young children or a couple who occasionally overnights with another couple. The forward stateroom features a queen island berth, hanging lockers on the port and starboard sides. There's private access to the port-side head, which is also accessible from the saloon. The head features a VacuFlush MSD, mirrored medicine cabinet, and separate compartment with a roomy, stand-up shower with 6'2" headroom. The midcabin, at the after end of the saloon under the bridge deck, offers slightly more than five-foot headroom and has sliding curtains that, when drawn, separate the stateroom from the saloon for privacy, so it'd be fine for kids or adults. It's not a particularly bright space, a common situation in a midcabin, but there is a small porthole and port lights on both sides of the L-shape Ultraleather settee that converts into a double berth. She's a perfect vessel to get the whole gang together for fun on the water and under the sun. ByGolly is moored in ACI Marina Ilici in the city of Opatija. Opatija is a very desirable destination and is considered Croatia's Cannes. This marina is the flagship of all marinas on the Adriatic coast because of its location, with the beach, restaurant, ship's store, coffee shop, service department, crane and brand new facilities.
