Overview

**2013 Chaparral Signature 290 Express Cruiser Twin Volvo Power - 135 Hours
*New Garmin GPS MAP color blue chart HD with fish finder, sonar, depth meter, and engine management.***

If you're searching for the most space-efficient family cruiser available under 30-feet the Chaparral 290 Signature is it. At home in all kinds of conditions, the Signature 290 mixes form, function and performance with a distinct touch of Chaparral class. This one features twin Volvo Penta V-6 engines with approximately 135 hours and new manifolds and risers..

The Chaparral 290 Signature comes with a long list of standard equipment to make boating fun and enjoyable for the whole family. Options include:

- New Cockpit SeaDek (or similar)
- Hinged Radar Arch
- Rod Holders
- Windlass
- Underwater Lights
- Gas Grill
- Remote Spotlight
- Fire Suppression System
- Teak and Holly Flooring
- Pillow/towel Package

Every piece of hardware, from the electro-polished thru hulls to the flush mount pull-up latches, is corrosion-resistant stainless steel. A Limited Lifetime Hull Warranty and Kevlar reinforcement make a statement of quality far better than words ever could.

Most cruisers in this size range require you to wake up and disassemble the forward berth if you want to use the dinette for an early morning cup of coffee. Not so on the incredible Chaparral 290 thanks to a huge berth and a separate dinette.

The cabin sleeps six comfortably which is remarkable given the boat's under-30-foot center-line length. An over-sized square deck hatch with a retractable shade and screen, along with four eye-level screened ports stir an airy, spacious feeling. Removable carpet, two cedar lined clothes closets, flat screen entertainment packages and lined privacy drapes are all standard equipment extras that make the Chaparral Signature 290 one of the roomiest cruisers you'll find under 30-feet.
