SPECIFICATIONS

Overview

Joie De Vie, a 2002 Hunter 410, is an exceptionally comfortable cruising design offering accommodations comparable to most 50' yachts. The current owners who built her have maintained her to the highest standard. Many new upgrades in 2017 including full package of state of the art Raymarine electronics as well as standing rigging to name a few. The ambiance of woodwork and interior decor is enhanced by many fixed and opening windows and deck hatches as well as very good lighting. Additional design benefits are the exceptional size of the cockpit with custom pedestal console with double leaf table. A Three sided cockpit enclosure with aft sunscreen and the helm seat hinges back providing direct access and steps to the swim platform. Inboard genoa tracks leave unobstructed side decks. In summary, Joie De Vie is the most desirable Hunter 41 currently on the market.
