- (2) holding tanks (50) gallons each
- (2) 100 gallon freshwater tanks

Salesman's Comments

In 1998 at the inception of the 53 Carver the 530 Voyager was the flagship of the Carver fleet and was the best-selling yacht in her class for several years. She features a cherry wood interior and a spacious 3 stateroom and 2 head layout. The galley is situated forward of the salon and not in the pilot house like most other yachts. A huge fly-bridge with seating for up to 8-9 adults is standard. She is powered with the preferred 450hp Cummins 8.3L twin diesels which give her a cruising speed of 18-20knts. Momentum features a custom "foldable" arch to allow for low bridge clearance access. This boat is perfect for a live aboard or someone looking to travel "The Loop".

The boat is freshly detailed and ready to travel! Do not miss your opportunity to see her!

Exclusions

Owner's personal belongings.
