DETAILED INFORMATION

Full Specifications

Technohull 'Omega 41' Built 2016 Length: 13.2 metres / 43' 2" Beam: 3.4 metres / 11'

Built by Technohull Ribs, Athens. Greece Commercially registered to charter

Stunning 13.2m (41ft) luxury chase rib. One owner from new. Diesel powered and with a max speed of 45 knots. Momentum is commercially registered and well suited to operate as a charter vessel or as a superyacht chase boat. Momentum has a large teak decked swim platform which leads forward to a sumptuous sunpad. In the deep cockpit aft is a forward facing full width bench seat and then opposite an aft facing bench seat. This aft cockpit area is ideal for al-fresco dining and relaxing. The helm position is forward and has a large hard top sun bimini overhead which provides excellent sun protection. The helm position is fitted with a very complete navigation package - including Raymarine Radar plotter and VHF. Forward of the helm console is a large 'up & over' hinged hatch which gives you access to the surprisingly large twin bunk cabin and adjoining bathroom. The bathroom has a marine sea toilet, hot and cold water wash basin and shower. This luxurious rib is an ideal occasional overnighter should you want to adventurous cruise. Forward and in the bow is a second large sunpad with excellent storage underneath.
