Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Broker Comments

The Meridian 368 Double Cabin Diesel Motor Yacht is without a doubt one of the most roomy, and well appointed that you can find. You would think it is a 44 or 45 footer with the large salon and galley with the abundance of natural light in the space. It is the result of two levels of windows along each side plus the large expanse of glass by the windshield. There are many small things that show the quality built into the 368 Meridian Double Cabin Motor Yacht, such as the cedar lined hanging lockers, and cherry cabinetry just to name a few. CHICA BONITA has been maintained to the highest yacht standards by her present owner. There are full records of the boat since new. She just came out of the yard this month. She had the bottom painted, prop speed applied to the props, the hull was buffed and waxed, along with the topsides, and the batteries were just replaced. The engine service is up to date. If you are looking for a mid sized double cabin motor yacht, CHICA BONITA is a Must See! She looks as good as the photo's and video. Call, text, or email to setup your appointment to see her. Serious Seller, Priced to Sell!

Vessel Walk Thru

The flybridge has a bench seat for three aft and two seats along the port side, plus a swivel bucket seat for the captain. A wet bar is molded in with starboard side icemaker.. The aft deck is a few steps down, and has a bench seat with storage underneath. It has a hardtop over it. A wide staircase with plenty of handrails takes you from the aft deck to the swim platform. As you go down the steps into the main salon you will notice the sofa seating along both sides, with a high low table to starboard. There is an abundance of natural light that fills the space. There are two levels of windows along each side, plus a large expanse of glass along the windshield. Wood cabinets in the aft port corner of the salon hold an entertainment center as well as the boat's main electrical panels. A large flat-screen television, a DVD player and an AM/FM/CD audio system are standard equipment. The stereo has a remote control and additional speakers on the flybridge, as well.

The galley opens to the main salon and one step down from it. The appliances include a double-burner electric stove, a microwave oven, a deep-basin stainless steel sink and an under-counter side-by-side refrigerator/freezer. The cherry wood cabinetry is accented with an attractive solid surface countertop and teak and holly floor.

The master stateroom is aft, down three steps from the main saloon deck. Its queen-size berth with an innerspring mattress is easily accessible from three sides. The en suite head has a glass-enclosed stall shower. There's a floor-to-ceiling hanging locker in the forward starboard corner that is cedar lined. A large picture window on the aft

bulkhead, plus side portlights fill the space with natural light. The forward VIP stateroom is forward, and has a queen size berth with an innerspring mattress, that is easily accessible. The hanging locker is cedar lined. There also is a very spacious head and shower.
