The Sea Ray 470 Sundancer (called the 43 Sundancer when she was introduced in 2009) is a luxury-class yacht with everything any boater needs for cruising or entertaining, including all the latest and greatest technology expected in a world-class express yacht. The sleek styling reflects current European design trends, and the excellent performance of the 470 is a match for any of her Mediterranean counterparts. Stepping aboard, the Sundancer's cockpit is a huge party platform with wraparound seating for a small crowd of friends. Additional features include an integrated hardtop/windshield, Skyhook (dynamic positioning) technology, joystick controls, and a state-of-the-art entertainment system. With twin Zeus drives linked to Cummins 480hp diesels, the 470 has a top speed of nearly 35 knots.
