SPECIFICATIONS

Overview

This striking superyacht was launched from the Astondoa shipyard in 2008 and has since achieved a successful charter record. Having undergone a significant refit in 2013, Panakeia is presented in immaculate condition and is an exciting opportunity for an owner looking to cruise in comfort and style.

Panakeia has a steel hull with a beam of 8.6m. An aluminium superstructure with dynamic and sporty lines, combined with curved windows, gives her exterior styling continued appeal. Powerful drive comes from two MTU 2,040hp engines, delivering a top speed of 16knots and economical cruising at 12knots. Low engine hours and an impressive range of 4,500nm are an additional advantage for an adventurous owner.

Appealing to those with a love for chic modernity, Panakeia's interior was designed by the internationally acclaimed Italian studio of Cristiano Gatto. At 499 gross tonnes, Panakeia offers huge internal volume for her length and, across a tri-deck arrangement, she can accommodate up to 10 guests in five suites, as well as providing crew quarters for nine in four cabins.

From her elongated saloon there's direct access to the aft deck through full height, curved glass doors and this versatile space is well suited as a relaxed extension of the lounge or as an al fresco dining area. An elevator, as well as a dramatic spiral staircase, connects all three decks and on the top sun deck a Jacuzzi, sun loungers, dining table, and a glass-topped bar can be found.

Basic Information

Category: Motor Yacht

Model Year: 2008

Year Built: 2008

Refit Year: 2013

Country: Italy

Dimensions

LOA: 149' 4" (45.50m)

Beam: 28' 3" (8.60m)

Min Draft: 7' 7" (2.30m)
