## Overview

---

This pristine one owner freshwater 4300 Sovran is one of the best-selling models in Tiara's rich history. The 4300 was the first USA boat built with Volvo Penta for the IPS POD System and incorporates the JOYSTICK Control System. The two staterooms with two heads make this boat the perfect vessel for family and friends that want to do extended cruising. This freshwater 4300 is barely used and it's loaded with the best options available. The helm is fully enclosed with an enclosure and fully air-conditioned for comfort. Aft is an excellent conversation seating area and with the IPS system, the noise level is nearly as quiet as a luxury automobile. Boarding is a breeze from the large oversized swim platform or from the sidewalk ways with integrated molded steps. Offered for sale by her extremely experienced and knowledgeable Coast Guard 100 Ton rated Master/Owner. GRACIE TOO has been stored every winter in climate controlled covered storage. She has been continuously updated and professionally maintained to the highest degree possible. Detailed maintenance records with detailed maintenance logs will confirm her extraordinary care. What separates this "like new" 4300 from all the others are her low hours, extreme care and it being a totally freshwater Tiara. Call today to see for yourself. You will not find a cleaner, more optioned 4300 on the market. It literally looks and smells as though its as close to brand new as one can get.
