## Overview

---

Brooke Ann is a 2001 Evans fiberglass deadrise with twin 2001 115 horsepower Yamaha 4 stroke engines with less than 500 hours. Evans boats have a very good reputation for stability and handling bay chop. She is all fiberglass with no exterior wood and boasts a 200 square foot cockpit. The twin, 4 stroke Yamaha engines cruise at 27 mph with a 5 gallon per hour burn rate. The three sided enclosure and extended fiberglass hardtop provides protection in harsh weather and much needed shade in the summer. If you are looking for a strait forward fishing boat that will take the rough seas and needs less maintenance than similar vessels, then come look at Brooke Ann and make an offer.

## Basic Information
