Overview

Overmarine 72' GRUMPY

This Mangusta 72 Open represents one of the most popular open yachts in the Mediterranean.

Italian-built and aesthetically very attractive, GRUMPY is perfect for sea fun on the Riviera.

Her size and draft enable her to access remote anchorages, close to shore and easily into ports.

The deck lounge is perfect for “al fresco” lunching with a sliding roof creating a lofty aerial atmosphere.

Teak decks flow in from the exterior into the salon area, giving this day boat a very refreshing and spacious feel. Completing the exterior salon, and concealed under the sunbathing cushions features a teppanyaki table for 6 people. Both sunbathing areas fore and aft can be shaded with awning protections.

On the lower deck, the intelligent layout allows for 3 cabins which can accommodate up to 6 guests. The owner enjoys a full beam master cabin, and each stateroom benefits from its own bathroom. A spacious lounge, ideal for relaxing and watching movies completes her interior.

GRUMPY is finished in European cherry with luxurious upholstery creating a comfortable atmosphere.
