SPECIFICATIONS

Overview

Grayling is a 47 ft steel raised pilot house trawler. She was designed as a honest cruising boat to be operated by a couple under almost any condition. She is fully live aboard and equally able at sea or at anchor. Her short mast is on a tabernacle and can clear less than 15 feet making it the perfect looper.

Holding Tank: 65 Gallons

Fuel Capacity: 680 Gallons

Accommodations

Total Cabins: 1

Sleeps: 5

Total Heads: 1

Hull and Deck Information

Hull Material: Steel

Hull Color: White

DETAILED INFORMATION

Engine

Grayling is powered by a single Cummins 4BT 3.9 150hp turbo charged with fuel consumption of 2.2 GPH at 8 kts. Her hull is very efficient with a performance of better than 4 miles per gallon. Her 680 gal fuel tanks provide a range of 2800 miles-handy for selective fuel stops. Hydraulic steering by Hynautics, a large rudder and a Vetus electric bow thruster make close maneuvering easy without the expense of twin engines.

Hull

Her hull construction is 1/4 steel below waterline, 3/16 in. above, longitudinally framed with transverse frames every 31 ins. The pilot house is steel below window line and fibreglassed wood above. The main cabin is steel with a fiberglass ceiling.

Additional Units Included

- 2008 Tracker Aluminum

Exclusions

Owner's personal belongings.
