DETAILED INFORMATION

Walk-Through

The 65 Marquis is by nature a larger yacht than its competition of the same size. Designed by the renowned yacht designers Novulari and Lenard.

6 feet 8 inches ceiling together with her window lines allow plenty of light inside the maindeck area and offers to the owner the feeling that is constantly connected with the outdoors. The window shades and blinds will provide the necessary privacy to the guests and owners.

Aft Deck:

You can enter the Marquis 65 via the 2 entry gates of the aft deck at port or stbd side.

2 stainless steel gates are located at the aft and access the hydraulic Swim platform, crew area and engine room. The hydraulic swim platform holds a Zodiac 2013 380.

Teak laid decks at Swim platform and stairs, aft deck and port and stbd walkaround decks.

Recent upholstered seating sofa, newly refurbished aft dining table and marine chairs for 4.

The aft maneuvering station with the Engine controls and bow and stern thrusters is located at the stbd side.

Salon:

Via the curved sliding door you enter the main salon area with the newly installed wooden floors.

The seating sofa with storage underneath, the newly replaced Nattuzi recliner, is at the port side with the pop up TV system being at the stbd. Continuing forward is the Galley at the port with full size double refrigerator, oven, dish washer, double sinks, granite counters and granite flooring. Adjacent to the galley is the Dining table with 6 dining chairs.

Forward of the Galley is a small dinette with a sofa and the Lower fully equipped Helm Station is located at the center. Next to the Helm Station is the staircase to the staterooms down below.

Lower Deck Staterooms:

Fwd is the Queen size VIP with en suite bathroom, to the stbd side is the Twin bed cabin, which can be converted to a queen cabin via the center filler boards fabricated

for this purpose.

The Twin cabin can also be considered to have an en suite bathroom as the day head/ bathroom is accessible to the twin via an in cabin door and also via an hallway door completely separate from the Twin Cabin.

Walking aft the hallway you enter the Master stateroom via double doors. Stepping aft towards the King size bed of the master you will find at the port the Walk In Closet and a full side by side Laundry area. At the aft deck bulkhead of the Master cabin are two doors accessing the his and hers Bathroom.
