Walkthrough

ASHA features an extended integral swim platform, which stores the new 2018 3-person Waverunner and has access to the aft deck via transom stairs to port and starboard. The swim platform was extended during a refit in 2011 and makes a great platform for watersports. Boarding from the port side passarelle, you arrive on the covered aft deck, with dining for up to 8. To port and starboard are the walk-around side-decks and forward through sliding stainless and glass doors to the light and bright salon featuring a light oak matte finish with contrast dark wood matte finish throughout. This spacious salon features a convivial u-shaped sofa, with love seat opposite. The forward end of the salon features the dining area, with seating for 8 guests and banquettes to port and starboard, allowing plenty of storage. Proceeding forward to starboard is the main companionway with access to the galley to port, guest stairwell to staterooms below, stairs to flybridge and then pilothouse forward. The galley is separate for a perfect charter set up where crew can easily serve but also be separate when coming/going from their quarters. The master is amidship below and features a kingsize bed, loveseat to starboard and make-up vanity to port. The ensuite bathroom features a tub with shower and his and hers sinks. To port is the walk-in wardrobe. Proceeding forward is a twin cabin with Pullman berth and ensuite head with shower stall to port, double cabin with ensuite head with stall shower to starboard. All the way forward is the VIP queen cabin with ensuite head. There are 3 sets of luxury Italian bedding for all guest cabins. Crew cabins are located forward with entry from the bow. Sleeps 4 crew members plus Captain. The flybridge is well laid out, with 2 forward facing observation loveseats, 1 with a helm station. Proceeding aft are 2 banquettes with an athwartship dining table that seats 8

guests, covered by an extended bimini-top, followed by a hot-tub (2011) and sunpads aft. There is a stairwell to port that accesses the aft deck and swim platform, allowing ease of access for both guests and crew. The foredeck features another sunpad area, on top of a tender/storage garage. ASHA has benefitted from a refit during the winter of 2017-2018, which included new hull paint, new teak on the swim platform, new interior soft goods, including 3 sets of luxury Italian linens and numerous updates to the mechanical systems onboard. She has proven to be a popular charter yacht, with a consistent charter record (figures available on request). Other notable features include Zero speed stabilizers (2011), underwater lights.
