SPECIFICATIONS

Overview

This 54' Hatteras Convertible Sportfish is a completely impressive sport fisherman with the preferred Caterpillar power and upscale interior accommodations that give a very spacious feeling. "Valentine" is a very handsome vessel with the aggressive profile and the rakish sheer found in all the newer Hatteras convertibles, she is built on an in-house hull design with a wide beam, shallow deadrise aft, and a deep keel. Perhaps the most impressive feature of the Hatteras 54 is her innovative three-stateroom interior with its incredibly wide-open deckhouse and the largest master stateroom seen in a convertible this size. The diagonal low-profile galley configuration really opens the salon and adds considerable living and entertaining space. Additional features include an immense flybridge, a helm console designed to flush mount her upgraded Garmin electronics, and a spacious walk-in engine room that is home to her 3412 CATS and provides near-standing headroom. Her knowledgeable owner and the full-time captain afford her the best of care and it shows. "Valentine" is a must to see if you are in the market for a true proven performer that is in turnkey condition for her new owners.

Many upgrades, maintenance up to date, three staterooms and three heads. Captain maintained!

The *BEST* Package for Power CAT 3412s with 1,000 Hour Service
