SPECIFICATIONS

Overview

Offered for the first time, this custom Northwest built 86' Nordlund McQueen Yachtfish is an excellent example of an Ed Monk designed vessel. The original captain has all of the systems dialed in, including fresh rebuilds of the CATs and (3) generators.

TIGRESS was created from naval architects Ed Monk Yacht Design and Nolan Marine Design. Pokela Design was successful with the interior design and styling.

Stunning birds eye maple interior throughout!

The original owner has had many amazing experiences with the **TIGRESS** and she is ready to raise fish and cruise to new destinations.
