## Overview

---

As you start out of the marina, and point your bow where the sky meets the sea, you stare out at the water and smile. In less than two hours, you will be dropping your lines into the bluest of waters in hopes of catching one of the many big eye tuna or blue marlins. There is one thing that will be different though, and that is because you will be aboard a Viking 65 Convertible, the best of its kind. Built on a fully cored, modified V-Hull and twin 1,800 bhp diesels, her top speed can reach 40 knots. Welcome Aboard!
