SPECIFICATIONS

Overview

The old saying goes, "if mama ain't happy, nobody's happy." Mama will love this boat! With its fully equipped galley (kitchen, really), large saloon with free-standing furniture, tub/shower, walk-around queen bed, and loads of storage space, she might forget it's a boat. But Papa won't! It's got twin Caterpillar 3116 Turbo Diesels - yes, diesels - that cruise comfortably around 20 kts, piloted from a big flybridge with recent upholstery on the helm chairs and guest seating. This is a sleek looking boat with an upgraded swim platform with molded in steps for easy on/off, stainless steel handrails all around for safety, and recently updated instrumentation.

Basic Information
