SPECIFICATIONS

Overview

The awe-inspiring Maritimo M59 offers well-appointed accommodations from the fully enclosed flybridge to full beam master stateroom. The salon and galley are open and airy with 360 degree views from inside out.

The M59 offers a 3 stateroom layout including the versatile starboard side stateroom that offers a full sized bed or two twins by simply sliding together or apart.

The internal staircase will bring you to the enclosed flybridge big enough to be considered a second salon with its own private aft balcony.

Distant destinations are rarely an issue with the M59's massive fuel tank capacities and low consumption rate allowing you to travel very long distances.
