DETAILED INFORMATION

Accommodations

Wild Ride is designed with a mid ship master and VIP forward , both with a private head and shower. Additional sleeping is achieved with a slide out berth in the salon and another one in the pilothouse. It has two driving station, pilot house and fly bridge plus an aft docking station with engine and thruster controls. The fly bridge is enclosed and is air conditioned. The semi-planing hull of the Hampton 558 incorporates a full keel, prop pockets and stabilizers for a stable and solid ride with excellent directional stability at all speeds. The Hampton 558 features walk-around side decks, reverse transom, integral swim platform, and a large aft deck.

Interior Finish

Walk Through

You enter the boat from the Euro transom, with steps on both port and starboard sides into the comfortable cockpit area that has seating aft and docking control station on the starboard side wing. There are outside stairs to the boat deck and another set of inside stairs from the pilothouse. The interior is beautiful high gloss cherry with burl redwood inlays. The large galley is located forward in the salon area with bar stools at the counter. The salon offers a L-shaped settee, pop-up TV and additional seating. Up three steps you enter the pilothouse with helm chair and comfortable L-shaped seating. Down the stairs, the VIP is forward and the master in mid-ships, both with private heads. The fly bridge is accessed from the inside stairs in the pilothouse. The lazaret and engine room are accessed from an electrically operated hatch on the aft deck.

Galley/Dining
