SPECIFICATIONS

Overview

SYBER is for sure the best AB 78' on the market!

She has been lightly used and has very low engines hours (less than 450h). Despite low utilization, the current owner has made a complete refit/upgrade in 2019 with a beautiful full grey paint. All the technical equipment was serviced or upgraded like the new Humphree interceptor to give more comfort, performances and fuel efficiency leading to a 400 nm autonomy. Fitted with 2 x 1.825 Hp Caterpillar and MJP water jet propulsion (serviced at "zero hour" in 2019), this 24m yacht can effortlessly cruise at 38kn and close to 44 top speed without any vibration and noise with better fuel efficiency than smaller yachts!

SYBER can cruise from Cannes to Calvi (Corsica) in 2.5 hours consuming 15.5 l/nm...

The owner is keen to sell and will consider every serious offer!

Basic Information

Category: Motor Yacht

Model Year: 2012

Year Built: 2011

Country: Italy

Vessel Top: Hardtop

Cockpit: Yes

Dimensions
