SPECIFICATIONS

Overview

The 2006 Marlow Explorer 70E "Casamar" is simply the finest example of this model available today. Not only does she have the "big engines and the desired master stateroom layout" but she is one of a kind and stunning, just stunning! She has been kept in immaculate condition since new and is now available as the owner wants a NEW Marlow Explorer. "Casamar" is a high performance motor yacht designed to cruise at 20 knots anytime the owner chooses and can provide better slow speed economy than any other boat in her class cruising above 8 knots. Outfitted with bow and stern thrusters, twin protected Velocijet strut keels and under 5 foot draft, "Casamar" can be easily handled by a cruising couple. With three full stateroom, 3 full heads and a separate fully equipped crew quarters "Casamar" is ready for Summer in Maine and Winter in the Bahamas. "Casamar" is a MUST SEE Marlow Explorer!
