SPECIFICATIONS

Overview

Delivered in 2014, the 36.9m “Edesia” is a striking example of the latest Benetti Classic 121’ series.

This hugely successful design, benefits from larger windows where the glass itself has become part of the structure.

Maintained in first class condition by her original owner, “Edesia” presents as an ideal purchase opportunity. She is MCA compliant and her customised layout makes her appealing for either private or charter use.

“Edesia” has a range of approx. 3,400nm at 11 knots, she is powered by twin MTU’s of 1,450HP each and can reach speeds of up to 15 knots.

Guest accommodations are for up to 12 guests in five en-suite cabins. The owner’s accommodation spans the full beam of the boat on the main deck forward and boasts a private study area, his-and-hers walk-in dressing rooms and an impressive sweep of windows providing maximum outdoor visibility. On the lower deck there are two double King size VIP cabins aft and two twin cabins (with Pullman beds) forward which can also be converted to double beds.

“Edesia’s” immaculate interior has a contemporary design and is luxuriously appointed. Her expansive deck spaces give “Edesia” wide appeal for entertainment and or lounging. Most notable of these is her sun deck, featuring a circular Jacuzzi surrounded by cushioned sun pads. This large area also has space for individual sun loungers and a dining table.

In the tender and toys garage, “Edesia” carries a 17’ foot Castoldi jet tender and a three seater Seadoo GTX Jetski.

“A highly customised example of the most popular series ever built by Benetti, “Edesia” presents in immaculate condition and is a great opportunity for someone to step into a very recent boat not having the wait of a new build. Arguably the most beautiful Benetti Classic offered on the brokerage market today.” - Gaston Lees-Buckley

Basic Information

Category: Motor Yacht

Model Year: 2014

Year Built: 2014
