SPECIFICATIONS

Overview

The Trophy Pro 2352 is a Sportfish Walkaround that combines the 360 degree fish-fighting ability of an open boat with a place to stay dry and out of the sun. For some fishermen this can mean the difference between fishing alone or having a fun activity for the whole family to enjoy together. "INTENSIVE CARE" has been owned by 1 owner who has kept it in covered dry storage when not in use from Day One. Less than 400 hours since new and less than 100 hours since a rebuilt Mercruiser 357 High Performance engine was installed 3 years ago by local by certified mechanics. Service records available. Structurally and mechanically this boat should inspect and survey well.

Fortunately for someone it's time for seller and original owner to part ways with this 23 Ft. Trophy Walkaround.
