SPECIFICATIONS

Overview

Cashed Out is well kept and a great example of the 45 Hatteras. The 45 was a product of the Hatteras 43 Convertible stretched two feet and most of it in the cockpit, bringing the cockpit to a large 132 square feet, and with the extra 2 feet it's much easier to get on top and much easier to stay on top at lower RPM's. The 45 turned out to be one of Hatteras' best selling boats. Cashed Out has been well cared for with lots of upgrades, the boat runs excellent and everything works. A must see Hatteras!!!!
