DETAILED INFORMATION

Accommodations

Insatiable recently added all new Garmin electronics and 1000 hour service. A great three stateroom, two head layout with spacious salon great for entertaining.

The salon includes a large U-shaped settee to starboard which faces the state-of-the-art Bose entertainment system with large flat-screen LCD TV. The entertainment center is flanked by two moveable chairs. Moving forward, interior access to the flybridge is available via an elegant spiral staircase to port. Continuing forward and to starboard, the large dining area is situated adjacent to the galley and helm. To starboard, the mid-level galley includes all of the appliances expected in a fully-equipped galley; icemaker, dishwasher, microwave/convection oven, four-burner stove, utility center below galley with washer/dryer, additional freezer and storage center. Forward of the galley is the lower helm station that puts all of its power and function within easy reach of the operator.

To port of the helm is the companionway to the accommodations on the lower deck. To port is the guest cabin with twin berths that can be made into a double, large double hanging locker, flatscreen LCD TV, DVD/CD/Stereo. Opposite the guest cabin is the master-suite situated amidships. The master-suite includes a queen island berth with custom mattress, expansive storage drawers and lockers, flatscreen LCD TV, DVD/CD/Stereo, and vanity forward of the berth. The en-suite head is large and roomy including large vanity and separate walk-in shower. The VIP stateroom includes a large queen, centerline, island berth with custom mattress, flatscreen LCD TV, DVD/CD/stereo, and private access to the guest head. Abundant drawers and hanging lockers.

Galley

Insatiable is equipped with a fully-functioning galley capable of preparing gourmet meals for owners and guests. Contrary to many of her competitors, the Viking Sport Cruisers 57 Flybridge Yacht has a galley arrangement which allows for open viewing of the dining area and salon. Ample storage is available in the galley to provision for extended cruising. Additional stowage is available within the utility center at the inboard section of the galley which includes a chest freezer, washer/dryer, cabinets, and machinery/systems access. A large storage box is also included beneath the galley sole. When removed, easy access to pumps, AC units, and ships systems is thoughtfully provided.

- Avonite countertops
- Numerous drawers and cabinets

- Duplex GFI receptacles
- Neff Four burner stove
- Microwave/Convection oven
- Icemaker
- Dual refrigerator/freezer
- Stainless steel sink

- Remote battery master switches
- Searchlight, dual beam
- TV, phone shore cable connection
- TV antenna

Deck and Flybridge

Starting astern at the transom, the large integrated platform has storage for snorkeling and bathing items and also includes a retractable swim/dive ladder. The hot/cold shower is located to port. The transom is equipped with a locker that hides an 800 pound davit for launching a dinghy or PWC. Moving onto the cockpit, seating is situated along the transom. The side decks are as wide as one will find on a European sport yacht of her size and makes for comfortable and safe passage to the foredeck. Once on the foredeck, one finds an expansive area for sunbathing and relaxing. At the bow, two lockers include the remote for the windlass, water connection and ground tackle and 200 feet of chain. The large flybridge is accessible from the salon or via the cockpit. The expansive area includes a wetbar with sink, electric grill, built-in refrigerator and seating for many guests and owners. Aft on the flybridge, a raised area suitable for sunbathing is situated to starboard. Visibility from the bridge is excellent making it ideal for entertaining many guests.

Flybridge

- 4 Flybridge speakers
- Salon and cockpit access
- Stamoid coverings
- Upholstered seating
- Stereo Speakers
- U-shaped settee w/ table
- Wet bar/BBQ grill
- Helm seats (2)
- Bimini top

Deck

- Extended platform with ladder
- 800 # davit stowed in transom
- Cockpit lighting
- Self-bailing decks
- Shower hot/cold

- Stereo speakers
- Transom gate
- Upholstered seating
- Engine access
- Lazarette access
- Cockpit curtains
- 2015 AB inflatable hardbottom with 25hp Suzuki engine

Engine Area

The engine area of the Viking Sport Cruiser 57 Flybridge is accessed from the cockpit and is thoughtfully designed making all machinery easily accessible. Generous use of acoustical insulation makes for quiet and comfortable cruising. Aft of the engine room access is an expansive lazarette with room for all of the toys and more. Transformers, chargers, and ships systems are easily accessible and storage areas are cavernous.

- CAT C-15 with recent 1000 hour service
- Acoustical insulation
- Zoned AC/heat (54,000 BTU)
- Bilge Pumps (Auto and Manual)
- Contaminated fuel warning system
- Dripless shaft seals
- Engine room blowers
- Fire protection system (auto/manual)
- Oil change system (mains and genset)
- Power assist hydraulic steering
- High speed rudders
- Water heater
