DETAILED INFORMATION

Description

The 48' Sea Ray Sedan Bridge is impeccably laid out for easy movement throughout, with molded steps to the bridge and deck, plus convenient transom door access to the huge swim platform. The large carefully laid out dash is capable of housing a tremendous amount of instrumentation and electronics. The two captains chairs with arm rests let you pilot in absolute comfort. On the bridge, curved bench seating forward of the helm give guests a bird's eye view ahead while they enjoy the awesome stereo system, and refreshments from the wet bar. In the massive salon the plush sofa converts into a sleeper at the push of a button. The galley is very roomy, along with a spacious dinette to port. The master forward stateroom is beautifully furnished for comfortable nights in the full size pedestal bed. A fully equipped ensuite private head is right at hand. A circular skylight illuminates the port stateroom, with a surprising amount of storage space surrounding and beneath the full size bed. The 3rd stateroom is to starboard, and shares the guest head with port stateroom.

Broker Comments

Diamond D has been well cared for by her present owner who is the third owner, and she is in nice condition. She is a great Bahamas or Keys Island Cruiser, and is a lot of yacht for the money! Owner has located his next yacht, and is serious to sell.

Exclusions

Owner's personal belongings.
