SPECIFICATIONS

Overview

The Sea Ray L650 was designed to compete against the top-tier European brands in both luxury and performance. The upper level layout consists of facing settees to port and starboard as you enter, with a massive galley forward to port and a comfortable dinette to starboard, just behind the helm. There are four staterooms and three heads on the lower level—the VIP stateroom is forward, guest cabins are to port and starboard, and an opulent full-beam master with queen bed, his and hers sinks, and vertical hull windows is amidships. Crew quarters are aft, and a standard day head is accessed from the swim platform. Additional features include a hydraulic swim platform, hardwood salon flooring, recessed foredeck seating with table, powered sunroof, bow/stern thrusters, separate washer and dryer units, and gyro stabilizers.
