Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo Penta

Model: D6

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

Above and Beyond is truly unique in this size range being extremely functional and versatile with solid performance. The 43's space planning is impressive both outside and in with several lounging areas and accommodations. A two stateroom, two head layout has berths for three aft and two in the master with an island queen bed. A larger galley than other similarly sized express boats, loads of storage, and a bright and airy salon area. The light walnut and fabrics avoid the cave like feeling typically found in this size range. The outside space starting aft with a sunpad that conceals a dedicated tender storage, along with a moveable backrest to form either forward or aft facing seating. The seating rest atop a garage that houses a small tender up to 7' long. The port side wetbar has space for refrigerator, freezer and ice maker. The starboard settee surrounds a teak table seating up to seven comfortably for outdoor meals. To port forward is a raised bench seat that converts to a forward facing chaise lounge. To starboard is the double helm seat looking through a single pane windshield with unobstructed views. A large soft sunroof turns the 43 into an open express with opening side windows as well. The decks are all finished in teak including the walk around to the large sunpad in the bow. Above and Beyond is a must see for express buyer with unrivaled features in 43'.

Salon

- Open airy hullside windows behind U shaped dinette, easily seating 4
- Overhead storage cabinets in white lacquer
- LED overhead lighting
- Hardwood flooring
- Flat screen TV
- Access to second head
