SPECIFICATIONS

Overview

Motor yacht PANGEA was launched in 2014 by the innovative Italian shipyard Arcadia. Pangea has a semi-displacement hull and offers spacious accommodation for up to 8 guests. The interior flows elegantly to the exterior thanks to plenty of windows and natural light. The main salon offers a plush seating area, coffee table and entertainment systems. A contemporary decor and well-appointed lighting, creates an elegant yet relaxed atmosphere. Set in an open plan, the formal dining table is forward of the salon lounge, with seating for all 8 guests. On the lower deck is one master stateroom, 1 VIP cabin and 2 twin cabins. Exterior living is exceptionally spacious. Stepping aboard, the aft deck is immense, offering a full exterior lounge, alfresco dining table, fold out balcony, comfortable sun bathing areas and partial shade. Her wrap around main deck leads to the fore deck's double sun bed, which effortlessly converts into a further alfresco dining option. The yacht's full beam extended swim platform is accessed from both port and starboard with optimal ease, fantastic for water enthusiasts.
