SPECIFICATIONS

Overview

\$15,000 PRICE REDUCTION!!

The Hatteras 54 Convertible is designed specifically to deliver a smooth ride and excellent handling while operating at high speed offering:

- ***New headliner***
- ***Underwater lights***
- ***Watermaker***
- ***Custom Interior Rod Storage***
- ***Cockpit rigged for deep dropping port and starboard with 30amp receptacles***

The convexity in the hull bottom helps make this hull immensely strong. The slight outward curvature (viewed from keel to chine) reduces impact accelerations and contributes to an incredibly smooth head-sea ride. The 54 is designed for serious sportfishing. The cockpit boasts a bait and tackle center with sink, cutting board and tackle drawers; a bait freezer; storage console with drawers, four rod holders; a removable, full-size in-deck fish box with macerator and an amply proportioned transom door. Inside, the salon/galley provides an L-shaped sofa and entertainment center. The entertainment center features a TV, AM/FM surround sound stereo receiver with DVD/CD player and VCR. The fully equipped galley offers natural wood cabinets, four-burner cooktop, garbage disposal and sub-zero style freezer and refrigerator drawer units. The microwave/convection oven is cleverly concealed by the cabinet door. This handsome galley is also practical ? the Amitco vinyl strip flooring resembles teak but is almost effortless to maintain. Galley storage is awesome with six exceptionally deep drawers. The chart flat area provides additional storage and is easily accessed via two cleverly designed deep drawers in the aft galley backsplash. Convenient, eye-level bulkhead access to this area offers even more storage opportunities within easy reach of the galley and dinette. The master stateroom features a queen berth with cedar-lined storage underneath, air conditioning disbursement through fluted wood valances for uniform comfort, and a concealed pocket access door for privacy. The entertainment center includes an LCD screen TV and AM/FM stereo receiver and CD player. The private master head includes a stall shower with seat, solid surface counter tops, and easy-care Amtico vinyl strip flooring.

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 2005

Year Built: 2005
