DETAILED INFORMATION

Overview

Great design and excellent quality construction are hall marks of Regal boats. Below deck is a two stateroom, two head layout with master stateroom forward with a private head with separate shower stall. The use of pocket doors for both staterooms really opens up the cabin. The aft stateroom features twin berths that convert to a full size berth and also has a private head. The salon features a sofa with pop-up footrest and dinette table located directly across from a full galley with side by side refrigerator/freezer, microwave, 2 burner stove, coffee maker and sink. This cabin layout is very comfortable and spacious.

Above deck is a spacious cockpit with bimini and camper canvas and a new isinglass enclosures. The helm is equipped with a full Raymarine electronics package and double wide helm seat. Opposite the helm is a large crescent shape settee with table. The walk through wind shield provides safe and easy access to the foredeck where the sun lounge cushions are located for your enjoyment. The aft cockpit features a wet bar and refrigerator and L-shaped aft seating, all protected by the extended bimini camper top. Through the transom door is a large full beam swim platform and transom locker.

The aft deck rises electrically for access to the engine room and generator. Great accessibility to both engines, generator and other equipment. Powered by powerful Volvo 8.1 Litre inboard engines. This is truly a great family cruiser and she is in excellent condition.
