DETAILED INFORMATION

Accommodations

This 67 F&S has a well thought out 4 stateroom and 3 head layout below. Upon entering the salon you are greeted by a spacious salon, dinette, and open galley floorplan. The master stateroom has a large walk around berth and private ensuite head. Forward is a VIP stateroom with center-lined berth. To port, there are two separate bunk rooms with over and under berths that share the port guest head. The aft bunk room has convenient engine room access.

Salon

The salon has an open feeling and is tastefully decorated with a beautiful teak finish. Marble countertops accent the room and connect the open galley countertops for easy access to serve the salon and dinette.

Dinette

The U-shaped dinette area has comfortable seating and is raised for socializing and also creating storage underneath. The marble topped table is beautiful and functional having storage in the pedestal. Forward of the dinette is the one-of-a-kind Chris Channell backlit glass mural art.

Audio & Visual Equipment

A Crestron system manages seamless control of the A/V throughout the boat via room handheld remotes, iPad / iPhone applications and dedicated Crestron 9" touch panel with voice control in the Salon. The salon and master stateroom feature Blu Ray Player, Intera Surround Sound Receivers, Internet Streaming Radio and Wireless Streaming via Airplay capability. A KVH Satellite TracVision powers (5) USA DirecTV Receivers and (5) Latin DirecTV Receivers. Qualcomm Globalstar Satellite Phone ensure constant connectivity. High resolution IP cameras capture cockpit and underwater video footage, in addition to DirecTV USA and Latin. The forward stateroom features a Denon M37 CD Receiver tied to dedicated stereo speakers. The receiver allows local FM/AM and CD played and is also tied into the main audio system for audio source sharing.
