## Overview

---

The Catana 45 Power Catamaran offers a shallow draft versatile stable platform which lends herself to multiple applications.

With a top speed and 18 knots and an eco-cruising speed of 8 to 10 knots, 800+ NM is possible. Powered by reliable twin Yanmar 315HP shaft drive engines and an ONAN genset easily keeps the interior air conditioning and batteries charged and ready.

The main deck salon and integrated galley lead pleasantly onto the aft deck which has an extended custom bimini for additional shade. The twin swim platforms are a generous size are a perfect for boarding by tender or from the ocean. The low freeboard of the swim platforms makes it a perfect place to slip into the water with dive gear on.

The fly bridge with giant day bed aft is covered by a custom hard top and clear enclosure. Helming can be done from the fly bridge with a perfect view of the surrounding waters or from the lower helm in air conditioned comfort. A third aft docking station is on the aft deck.

The accommodation consists of crew forward on port and starboard. The owners hull with office and ensuite forward is on the starboard side. Two double guest cabin are in the port hull separated by a generous shared bathroom.

Priced to sell this comfortable Catana 45 would suit a buyer looking to spend more than a weekend onboard. For a full specification or to make an appointment to view please contact Lee Marine today.
