## Overview

---

The 328 S/S, Cruisers is an outstanding day and weekend boat. She gives you excellent seating and performance with plenty of room for family and friends. It's an extremely spacious bow rider that has overnight accommodations. There is an Electric sunshade, inverter, A/C and joystick control for docking. She gives you 700hp with a deep V hull for outstanding performance and comfort. You need to check this out!

Cruisers yachts are built in the USA by a privately owned company that has been building boats since the early 1950s. If you were to visit the production facility in Oconto Wisconsin I think you would come away with a great respect for the company, and the boats themselves. Take a look at the 328 S/S and see for your self. The fit and finish is very well done, the seating arrangement is outstanding for a large group or just for two, and there are overnight accommodations for two. Very good performance with the optional Volvo 350's (350 X 2 = 700HP) with joystick control and a deep V hull with a sharp entry for a ride in comfort. She is just outstanding in her class of boating.

## Basic Information

---

**Category:** Express

**Sub Category:** Cruiser

**Model Year:** 2015

**Year Built:** 2015

**Country:** United States

## Dimensions

---

**LOA:** 32' 0" (9.75m)
