Overview

The 2008 240 Sundancer is built for comfort and luxury cruising. Don't let her size fool you! From the swim platform to the windlass at the bow, there is plenty of space for entertaining and relaxing. The original 5.0L Mercruiser MPI w/ Bravo III outdrive had a complete overhaul and was rebuilt in 2017. Currently, the engine has only 55 hours! Owner has meticulously serviced and maintained this boat at an upscale marina. This Sundancer has been lightly used over the years, primarily to go to the beach and/or restaurant hopping. With her delightful and pristine cabin look, you'll feel right at home. Call today for a showing!
