**SUNDECK** Entering the yacht from the port or starboard side deck the sundeck is found aft and entered through an inward swinging plexiglass door. There is plenty of space available here for entertaining in this bright and airy section of the boat. The sun deck is open to the fly bridge forward, with a stair case up on the starboard side. The staircase to the salon is adjacent to the left, with the wet bar left of this. The wet bar features a sink with hot & cold running water, an ice maker and storage cabinet. Twin Bose stereo speakers are mounted in the bulkhead above along with a bottle rack, paper towel holder and a 120 vac outlet The full beam swim platform is accessed via a staircase located in the aft port corner. The deck is fully enclosed with a hard top and canvas-eisenglass curtains, making it the perfect place to stow a couple of bikes and still have plenty of room for a table and chairs. **FLYBRIDGE:** Moving up to the flybridge the helm is found on the starboard side and features captain and 1st mate pedestal mounted chairs. A large C shaped settee runs the full length of the bridge fore and aft along the port side. The bridge is open to the sundeck below along the back side. This provides excellent 360 degree visibility. The fly bridge is fully enclosed by a Bimini top with full canvas-eisinglass curtains. **SWIM PLATFORM.** The oversized swim platform is large enough to stow a dingy and includes a deck box, cooler, shower, fold away swim ladder and a Weaver dingy davit system (not pictured). A bumper/dock line rack and fishing pole holders are stern mounted. While overhead mounted on the hard top there are two spot lights and a rear view CTV camera (not active). Shore power, tv cable and phone plugs are found in the deck box, with dockside water hookup on the starboard corner of stern. **SIDE DECKS & BOW:** The side decks and bow are enclosed by a stainless steel double railing. There are two gates on the side decks, just ahead of the sun deck. Stainless steel hand holds are mounted on the cabin side the length of the side decks. At the bow a search light and burgee pole are mounted on the railing. The anchor is under deck mounted with an electric windless found in the chain locker. **SALON:** Descending stairs from the sun deck to the main salon a L shaped settee, which converts to a double bunk, is found to port, with an entertainment center to starboard. The entertainment center includes tv, dvd/blueray, stereo and the electrical control panel. Access to the aft stateroom is right of this. Moving forward, there is a single step down to the dining area, which features a cherry table and two bench seats, which convert to a double bunk. Cherry cabinetry if found throughout and the entire area is carpeted, with snap down carpet covers. The salon is wrapped on 3 sides by large windows that provide fantastic views and plenty of light. **GALLEY:** The galley is one step down and opposite the dining area. It is L shaped, running along the port side and extending then extending midship, which creates a separation from the salon. The galley features cherry cabinetry, a large standing over/under refrigerator, stainless steel sink with hot and cold running water, 2 burner ceramic top stove, microwave, steam/convection/toaster oven, coffee maker and toaster. There are multiple cabinets

and drawers for storage. The deck is oak flooring. FORWARD STATEROOM: The forward stateroom is entered from the galley area. It features a beam wide queen berth, bench seat and a large hanging closet. Additional storage is found in under berth drawers. There is an opening hatch overhead and two opening ports. A flat screen TV/DVD player is found at the foot of the bed. The deck is carpeted with snap down carpet covers. AFT STATEROOM: The stair into the aft stateroom is found in the aft starboard corner of the salon. The full beam stateroom features a queen bed and ensuite head. Built in cherry cabinetry provides a bed side table, two hanging lockers, to small lockers, shelving and fold away vanity with shelving. A TV/VHS is shelf mounted at the foot of the bed. The ensuite head is found on the port side. The decks are carpeted with snap down carpet covers. AFT ENSUITE HEAD: The ensuite head features a sink with hot & cold running water, with a bath tub shower to the right and a vacufush head to left. There are two opening ports, a medicine cabinet, a towel rack and hooks. The head is well appointed with halogen lighting and mirrors, providing a spacious and welcoming space. FORWARD HEAD: The forward head is found ahead of the dining area, opposite the galley on the starboard side. It includes a sink to the right with a vacuflush head to the left. There is one opening port. The head converts to a shower, with a wraparound shower curtain. As in the aft head the use of mirrors and halogen lighting give the head a spacious feel. ENGINE ROOM: The engine room accessed through hatch doors in the salon deck. Use of Yanmar engines give this area more room to work than other models.
