SPECIFICATIONS

Overview

DESTINY IV is an Enclosed Bridge 80' Hatteras Sportdeck that boasts a full 21' beam. The Salon and Master stateroom take full advantage of this space giving the owners and guests spaciousness experienced in 100' + yachts.

The vessel abounds with the finest selection of upgraded fabrics and accessories throughout. As you come aboard from either port or starboard curved teak covered steps from the swim platform, you enter the spacious aft deck. Solid teak decks as well as a custom teak aft deck table with inlays of ebony finished in a high gloss polymer. A large settee seats up to six in comfort with custom selected Sunbrella fabric. Four teak folding chairs with cushions can be brought up on deck to expand your seating capacity. An LCD TV is smartly concealed in the starboard forward hardtop, and is easily deployed with a remote control. The wide fiberglass staircase up to the flybridge aft deck lounge easily accessed from the shelter of the aft deck.

The interior cabinetry is a high gloss Anigre wood and features a curved entry and etched face doors throughout. The spacious salon features a custom sofa with storage, twin barrel chairs and a recliner that make it easy to view the pop up 50" TV anywhere within the salon. She also features new Amtico wood flooring throughout the main deck. Forward is a dining table for six with plenty of china/glassware storage on the forward bulkhead and below the gunnels on either side of the dining area. Just forward, you will find an on deck day head along with a fully equipped galley with separate dinette forward. Port and starboard entry doors provide easy access for line handling and an interior stairwell to the fully enclosed bridge.

Below deck is the full beam master stateroom with His and Her head and plenty of storage. Forward, the bow stateroom features a queen walk around berth with cedar lined storage underneath, large cedar lined lockers, dresser and access to its own private head. The port VIP stateroom features a queen walk around berth with storage lockers, dressers, lockers and private access to the head with custom shower. To starboard you'll find a stateroom which is built as a lounging area, but converts easily to an upper/lower berth for additional accommodations.

Aft, there are crew quarters built with a queen walk around stateroom. Just outside the stateroom, an L-shaped lounge provides a place to relax with its own private head and entertainment system.

DETAILED INFORMATION

Accommodations

DESTINY IV is an enclosed Bridge 80' Hatteras Sportdeck Motoryacht that boasts a full 21' 3" beam. The Salon and Master stateroom take full advantage of this space, and give the owners and guests spaciousness experienced in 100' + yachts.

The yacht abounds with the finest selection of upgraded fabrics and accessories throughout. As you come aboard from either port or starboard curved teak covered steps from the swim platform, you enter the spacious aft deck. Solid teak decks are below your feet, as well as a custom teak aft deck table with inlays of ebony and finished in a high gloss polymer. A large lounge sits up to six in comfort on designer selected Sunbrella fabric. Four teak folding chairs with cushions can be brought up on deck to expand your seating capacity. An LCD TV is smartly concealed in the starboard forward hardtop, and is easily deployed with a remote control. The wide fiberglass staircase up to the flybridge aft deck lounge, easily accessed from the shelter of the aft deck.

The interior cabinetry is a high gloss Anigre wood and features a curved entry and sketch face doors throughout. The spacious salon features a custom sofa with storage, twin barrel chairs and a recliner that make it easy to view the pop up 50" Plasma TV anywhere within the salon. Forward is a dining table for six with plenty of china/glassware storage on the forward bulkhead and below the gunnels on either side of the dining area. Just forward and leading to the accommodations, you will find an on deck day head along with a fully equipped galley with separate dinette forward. Port and starboard entry doors provide easy access for line handling and an interior stairwell to the fully enclosed bridge.

Below decks is the full beam master stateroom with a his and her head and plenty of storage. Forward the bow stateroom features a queen walk around berth with cedar lined storage underneath, large cedar lined lockers and dresser and access to its own private head. The port VIP stateroom features a queen walk around berth with storage underneath and custom built into this stateroom you'll find storage lockers surrounding the stateroom as well as dressers and nightstands on either side of the queen berth, as well as twin lockers and private access to the head with custom built shower. To starboard you'll find a stateroom with double berth and private bath. Aft, is crew quarters built with a queen walk around stateroom. Just outside the stateroom, an L-shaped lounge provides a nice place to relax other than the stateroom, with its own private head and entertainment pleasure.

- AC duplex outlet
- Hardtop w/ AC lighting Sport Deck:
- 15' Novurania w/ Yamaha 60HP 4-stroke
- Molded fiberglass w/non-skid sole
- Freshwater wash down outlet w/hose connection
- Hatteras patented quick disconnect
- Welded/polished 316L removable stainless-steel hoop rails
- Handheld hot/cold cockpit shower w/cover
- Molded in fiberglass steps w/ DC lights to aft deck
- (2) Pop-up cleats
- Boarding ladder, centerline
- Pacific Coast watertight door to crew quarters & engine room

Electronics & Navigation Equipment

- Furuno 1953C Black Box 72-mile Radar/Chart plotter w/12KW, 6' antenna
- Furuno 1943C Black Box 64-mile Radar/chart plotter w/6 KW, 4' antenna
- Furuno MU155C 15" color display
- VEI SeaPC Nobletec computer plotting system
- Furuno MU155C 15" color display
- Hatteras Touch screen PC monitoring system
- Caterpillar engine displays
- VEI waterproof mouse pad
- Northstar 6000I 6.4" color GPS chart plotter
- Furuno MU155C 15" color display
- Cellular phone amplifier for CDMA, TDMA, PCS, Nextel
- Video modulator
- Seatel RCA RF DSS receiver
- (2) Icom 602 VHF/Hailer radios 25w
- (2) Shakespeare Galaxy 17'6" antenna
- Newmar Hailer horn
- Camera system w/color indoor camera in engine room

- Switcher/controller (to add more cameras at later date)
- Wiring run to aft deck for future hookup
- AM/FM 8' stereo antenna
- 12volt converter and breaker panel Wireless internet connection system
- Furuno RD30 digital depth
- Furuno 235DHT MSE depth transducer
- Night Vision
- XM Weather System

Electrical Equipment

- (2) Onan 27.5KW Generators (serviced 2018 - approx 4500 hrs)
- (2) 24v bank of heavy duty 12v marine batteries
- Mastervolt automatic battery charger
- Automatic battery paralleling system w/switch at control console
- (2) 100 amp transformer connected retractable shore cords w/wireless for remote for cblemaster
- Computer controlled ethernet monitoring system w/LDC touch screen display
- Transformer connected retractable shore cords

Engine & Mechanical Equipment

- Integrated hydraulic digital 35HP thruster
- Stern thruster
- Hydraulic stabilizer system w/7.5 sq ft fins
- Sea Recovery 1400GPD watermaker
- (2) Chilled water 4-ton A/C compressors
- Zincs on rudders & shafts
- Alloy 22 high strength propeller shafts, 4" Manganese bronze dripless shaft & rudder seals
- (13) Portable "drychem" & fire extinguishers
- Stainless-steel trim tabs
- Manganese bronze struts
- Alloy 22 high strength shaft w/zincs
- Stainless-steel rudders
- Nibral high performance 8-bladed propellers
- Holding tank w/sewage pump & overboard discharge
- Heavy duty bronze engine couplings
- Engine & generator exhaust exits through hull side near transom
- Generator exhaust, water separator
- Water manifold blocks w/centralized shutoff valve for sinks & showers
- Pultruded rudder shelf w/stainless steel rudder tie bar

- FM200 fixed fire extinguishing system for engine/generator compartment w/ automatic & remote manual controls plus audible & visual discharge signals
- (2) AC ventilation fans
- Variable speed air induction fans w/ duct to flybridge for engine combustion air, (2) 21" vane axial fan pressure & temperature controlled
- (2) Electric fuel transfer system w/ filtration & dry tank protection for pump
- Freshwater fill hose for engines & generator
- AC compressed air system w/airline & regulator
- Dockside water inlets w/pressure regulating valve, automatic dockside tank fill & Hatteras patented quick disconnect
- 24v DC bilge and sump pumps
- Bronze/chrome ball valves through bolted in solid fiberglass on all underwater through hull fittings with electrical bonding throughout
- 230v AC freshwater pump, w/ pressure tanks located in strategic areas & central charcoal filter w/back-flush capabilities
- Sewage holding tank w/ 230v AC sewage pump, plumbed for dockside pump out with 3/4 full display & alarm as part of systems monitor
- 110v AC oil changing system for engines, generators & gears w/ Hatteras patented quick disconnect
- Fuel filter/water separator, generators
- (2) Sealed shower sumps
- Dual fuel filters/water separators w/bypass manifold, engines
- Electric fuel priming pumps, 24v DC, engines
- Welded & polished 316L stainless steel overhead grab rails
- AC distribution panels
- DC distribution panels
- Painted polyurethane engine room & bilges
- Discharge sea chests, stainless steel steering tie bar w/pivoting self-aligning ball joint connection at all cylinder & tie bar connections
- Insulation in deck
- Gray water tanks, (2) plumbed, 126 gallons each, w/230v AC sewage pump, plumbed for dockside pump out w/ 3/4 full display & alarm as part of systems monitor
- Sea chests
- Aluminum work benches

Exclusions

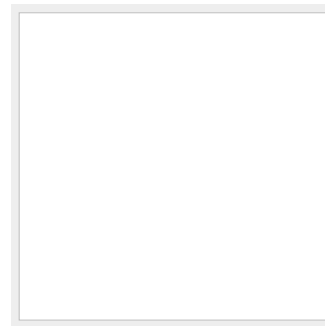

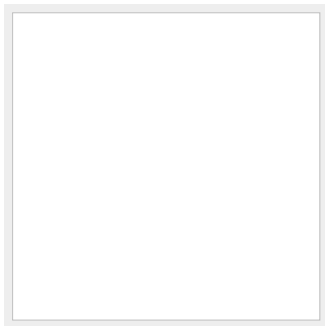

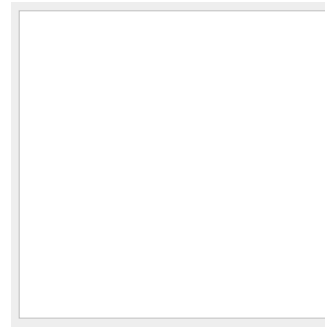

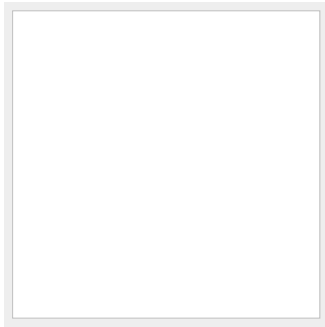

Owner's personal belongings.
