SPECIFICATIONS

Overview

This 39 center console is built for performance and can run and fish with the big dogs in rough seas. Hard core anglers will appreciate the extra wide-beam of 11'6", which allows the 39 to offer a spacious and well-designed platform. It also comes with ample storage space, while creating a layout that is as functional fishing as it is in entertaining. In addition to being a serious fishing machine, the 39 features a stand-up head and shower. ADHD, as its name implies, has been maintained meticulously with no exceptions.
