Total Cabins: 4

Total Heads: 3

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: 3412

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Introduction

Neama is a striking yacht with her aggressive profile and classic Italian lines. The Azimut 78 Ultra is a finely crafted motoryacht whose lively performance comes as a surprise considering her size and displacement. The dominant feature of the 78 Ultra is her elliptical cabin windows, a styling feature incorporated into several other Azimut models during the late 1990s. Too, the flybridge is wider than usual thanks to an extension of the deck surface out over the side decks. Neama has the American layout with four staterooms. The galley is completely separated from the salon and wheelhouse. There's a formal dining area in the spacious salon, and wide side decks lead to the foredeck sunning area. Additional features include a rich cherrywood interior, a large aft deck with eight place dining table, teak decks, a storage garage, and inside access to the flybridge. Built to RINA standards.

Salon

- Salon bar aft corner - marble top with sink
- Ice maker in bar
- Custom dinette arrangement
- Interior and cabinetry is cherrywood
- Brass thresholds
- hardware all gold with gold head taps
