## Manufacturer Provided Description

---

Continuing the success and enthusiasm of the Tiara Coupe series is the 39. Tiara's uncompromised quality and luxury combined with top of the line integrated electronics systems make the Tiara 39 Coupe a perfectly sized and powerful package. Twin Volvo Penta IPS drives, paired with the dependable, sweet-riding Tiara hull, deliver an exceptional driving experience. Joystick controls and glass cockpit instrumentation provide easy navigation and increases the enjoyment of your yachting experience.

Classic Tiara styling and quality components highlight the exterior; modern interiors and architectural appointments await inside. The glass cockpit features the latest in navigation and operating technologies, including Garmin electronics and Volvo Penta's effortless joystick control. The yacht-wide Fusion audio system allows zone specific volume controls and accepts USB/MP3 and integrated Bluetooth. A 28" LCD TV with Samsung Blu-Ray DVD player complete the entertainment package. A forward master stateroom with queen berth is complemented by a master/day head and aft stateroom providing plenty of comfortable space for a family or two couples to enjoy an extended cruise. Rich, solid wood floors, modern wall coverings, architectural finishes and heavy-duty hardware highlight interior finishes. Tiara Yachts customers may customize their interiors to match their own unique tastes and styles.

With open and airy floor plans that keep galley and cockpit engaged, every detail has been thoughtfully attended to. Enjoy the full marine experience with a retractable sunroof, large windows, skylights, and sliding rear glass door. A port side walkway brings you to the swim platform, aft grill and access to the trunk. The exterior

appointments and design integrations include the Tiara custom hardtop with sunroof, and the salon-to-cockpit transition that brings the water right to your back door.
