SPECIFICATIONS

Overview

PARADIGM is one of the most elegant of the Benetti Classic 115 series. She has the optimal five cabin layout accommodating up to ten guests in a very stylish and traditional interior. Over the years PARADIGM has seen some significant improvements in her machinery including new generators, the addition of zero speed stabilizers etc. In addition, more subtle modifications have been made. Her transom now opens further than all of the other boats, making access to the lazarette much more convenient and improving tender and toy handling. Upgrades to both the interior and a brand new galley in 2018 have made PARADIGM a standout opportunity in this very popular series.
