DETAILED INFORMATION

Manufacturer's Description

Fall Availability 2018 Viking Yacht is proud to announce the second generation of the 58 Convertible. She is scheduled to make her debut at the Annual Viking Dealer meeting and Sea Trial event September 10-12.

The 58C comes on strong with our signature walkaround center console flybridge helm with flanking lounges, 165 square-foot cockpit and observation mezzanine. The private and comfortable three-stateroom, two-head layout maximizes the vessel's 17 ft. 9 in. beam. The forward stateroom is available with a queen berth or the optional crossover arrangement. Our design team has done a phenomenal job with the salon and galley arrangement, creating a highly functional open layout with a balanced mix of amenities for entertaining, relaxing or dining. Propulsion packages will be a pair of the new MTU V10 2000 M96L engines rated at 1,600 HP each.
