SPECIFICATIONS

Overview

Motor yacht AVELINE showcases a contemporary interior with modern light oak to give her a bright, fresh feel. Her light-colored, neutral furnishings provide an open, airy ambiance while her dark wood accents in the formal dining give the feeling of rich elegance. The luxury motor yacht has an excellent main-deck layout that allows guests to watch the big screen satellite HDTV in the main salon without disturbing a dinner party in the formal dining area. Her raised pilothouse provides more interior volume and outstanding visibility for the captain. AVELINE's raised pilothouse offers the additional volume required for a separate dining room and day head on the main deck.

AVELINE offers accommodations for eight guests in four sumptuous staterooms. Her beautiful master suite, located amidships for absolute comfort, is accompanied with a stunning en-suite bath adorned with fine Italian marble and features his-and-hers sinks, a shower and Jacuzzi tub. The luxury yacht's additional staterooms include a queen VIP and two twin staterooms. Each stateroom is complete with an en-suite bath finished with Italian marble and its own AV system.

For days spent enjoying the alfresco lifestyle, luxury yacht AVELINE features luxurious outdoor living areas. Her flybridge is the ideal place to relax and dine alfresco showcasing a large sun pad, wet bar and dining for eight. She has a removable Bimini top that allows for the convertible option of sun or shade. Additionally, AVELINE's fully covered aft deck is a perfect place to entertain, if more shade is required the crew can extend the electric awning. Featuring an aft garage, motor yacht AVELINE can easily stow water toys, dive tanks and other equipment. The garage also features a large ice machine as well as a washer and dryer.

The separation between guests and crew is phenomenal on board; crew can move about easily while providing exceptional privacy to guests.

AVELINE was built for fast cruising with a top speed of 23 knots and a fast cruising speed of 20 knots. An economical cruising speed of 12 knots enables a 1,200 nautical-mile-range. Featuring CMC electric Zero-Speed stabilizers, this luxury yacht provides the ultimate in comfort while aboard.

Features - New salon upholstery - Beautifully presented and maintained by five full-time crew and overseen by a management company - Upgraded Furuno electronics suite and underwater lights - Extra diesel tankage was increased during build giving a total of 16,000 liters with a 1,200 nautical-mile at 12 knots. This is a very nice feature of the yacht, which has a top speed of 23 knots - Hamann Black water and gray water treatment allowing access to marine reserves - CMC electric stabilizers working under way and at Zero-Speed - Aft garage for toys and a generous swim platform for water
