## Overview

---

Among the many reasons why Sea Ray dominates the market for high end express cruisers, innovative styling ranks at the top of the list. Indeed, the compelling lines of the 33 Sundancer were cutting edge when introduced. The 33 Sundancer rides on a deep-V hull with a moderate beam, cored hull sides and the solid hull bottom. The spacious cockpit features a wrap-around lounge seating aft, an extra-large wet bar with an optional electric grill, and refrigerator, and a slick fold away transom seat that creates an aft facing seat on the swim platform. A power hatch provides easy access to the engine room. Below, the cherry cabinetry, maple flooring, Ultra-leather seating areas offer a rich feeling. Cruise speed with the Axius Drive System of 28+ knots.

Conveniently located in Tierra Verde
