SPECIFICATIONS

Overview

Gently used in the fresh waters of the Great Lakes until the spring of 2017, she was purchased and brought to one of the tributaries of the Chesapeake Bay. Upon her arrival in Virginia, she had her bottom soda blasted, faired, epoxy barrier coated and painted. Her hullsides were sanded, faired and painted with the latest Imron products. All of the brightwork was stripped bare and recoated with 5 coats of Epiphanes high gloss varnish. Used sparingly her entire life, she has 351 original hours. She has spent her winters inside a heated building out of the elements. She has had many recent upgrades and is ready to cruise and be enjoyed by a new owner as her current owner's plans have changed.

Basic Information

Category: Motor Yacht

Sub Category: Cruiser

Model Year: 2006

Year Built: 2006

Country: United States

Dimensions

LOA: 38' 0" (11.58m)

Beam: 13' 8" (4.17m)

Max Draft: 3' 4" (1.02m)

Speed, Capacities and Weight

Cruise Speed: 25 Kts. (29 MPH)

Max Speed: 30 Kts. (35 MPH)

Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Hull Color: Blue

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 6LY3A-STP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Overview

Elegant, traditional designs, luxurious accommodations and excellent performance are the hallmarks of the Sabre 38 Express. Quiet and economical to operate, the Sabre 38 will impress the most experienced yachtsman. The helm deck is a careful study in ergonomics. Surrounded by large opening windows and overhead hatches for maximum ventilation and light. Views for the helmsman and crew are virtually unobstructed. The Stidd helm and mate's chairs, covered in Ultraleather upholstery, provide a degree of comfort rarely found in other boats. To add to cruising comfort, Sabre's engineers have reduced noise and vibration levels substantially with a careful study of engine room ventilation and insulation. Wide side decks with large diameter stainless steel hand rails, standard rope chain windlass and highly polished aluminum hatches all add to the beauty and functionality of her deck. A large anchor roller makes anchoring work a breeze. Below decks her hand-crafted cherry interior adds to the sense of luxury, evident throughout. The stateroom berth is low and wide, making it both comfortable and easy to access. A pocket door separates the salon and stateroom while the head with stall shower has private access from the stateroom and from the salon. The main salon is configured with a long L-shaped settee and, her maple-inlaid salon table drops to form a guest berth. A standard thin screen TV and DVD player are recessed in to the furniture of the main cabin bulkhead. Her well equipped galley offers an electric cook top, convection microwave oven and coffee maker as well as ample storage for extended voyages. The Sabre 38 Hard Top Express is a yacht destined to become a classic for years to come.

Galley

- AC-DC 4.2 Cubic Foot Tundra Refrigerator
- Corian Countertop
- Built In Trash Receptacle
- Drawers and Cabinets Below Counter
- Storage Cabinets Outboard and Overhead
- Two Burner Princess Gourmet Electric Cooktop
- Panasonic Stainless Convection/Microwave Oven

Head
