SPECIFICATIONS

Overview

The 3650 Cruisers is a contemporary aft cabin cruiser has a surprisingly spacious interior. Queen berths in both staterooms with hanging locker storage, 2 heads, and a tub in the aft head compartment. This is a completely open layout with plenty of natural lighting, plenty of headroom and a very pleasant décor, full dinette and galley. Flybridge has large U-shaped lounge across from helm, seating 6 adults comfortably. Despite the spacious interior the side decks are still wide enough for secure access to the bow, and molded steps (instead of a ladder) making boarding from the stern an easy matter. Her knowledgeable owners have enjoyed "Takin' The Time" for the last several years and are looking for their next boat.

Basic Information

Category: Motor Yacht

Model Year: 1997

Year Built: 1997

Country: United States
