Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 350 MAG

Engine Type: I/O

Fuel Type: Gas

DETAILED INFORMATION

Description and Broker Comments

The Bayliner 325 SB Cruiser (called the 340 SB Cruiser in 2008) was one of the best boating values in her class, combining a spacious cockpit and cabin with sporty styling, and good open water performance. The cabin is big and open with a six person settee that wraps around the forward section of the salon. The galley, to starboard, is equipped with a small fridge, two burner electric stove, microwave. Behind the stairs is a large double berth with dressing seat hanging locker, and a door. The head is located close to the stairs and features an electric toilet and shower. One of the standout features in this deep cabin is the abundant natural lighting that floods into the salon thru the hullside windows, ports, and deck hatches. A large L-shaped lounge in the cockpit seats six. The boat is in nice condition, and ready to go. Seller is very motivated to sell! The bottom was just painted along with the outdrives. The exterior was buffed and detailed when hauled out. The starboard engine is new with a one year warranty. The port engine was rebuilt a year ago. If you are looking for a nice 34 Bayliner, Pure Joy II is a must see.
