## Overview

---

**"IMAGINE" IS BACK ON THE MARKET AND BETTER THAN EVER! BEST example of this classic cruiser! 2006 Yanmar diesel with under 500 hours!**

**Her owners have spared no expense in making her their perfect home and cruising boat. *Imagine* one of the best GulfStar models ever designed--a center cockpit with a great amount of space below, AND she sails like a dream. Modified cruising keel, so you have the benefit of a fin without the keel bolts. Thick, thick solid fiberglass hull.**

There is no comparing her to other cruising boats of the era. GulfStar had perfected its lamination schedule by 1981, so this model never had a blister problem and was built like a battleship. Plus, she's easy on the eyes, with classic lines and a low profile. The amount of space below is deceiving!
