Detailed information

COMMENTS

The Club Swan 42 Lagertha is hull number 05 and has been highly optimized for competitive racing. Offered for sale as a turn-key regatta program with a custom ORC optimized class rudder as well as the class rudder, ORC and Class sails all new batteries, new bottom and new tuff luff, she is currently lying in Palma de Mallorca.

HULL & APPENDAGES

Construction

Infusion moulded E-glass / vinylester laminate with carbon reinforcements in selected areas

Sandwich with closed cell foam cored hull, with higher density foam in bottom and slamming areas.

Fibre reinforcements are multiaxial and unidirectional. Structural bulkheads are of veneered sandwich construction or marine grade waterproof plywood. Watertight bulkhead at bow, drained fore peak. Bottom stiffeners reinforced with unidirectional carbon and multiaxial glass fibre in selected areas. GRP engine beds.

Stainless chainplate deck fittings.

Single point lift

Keel

Steel fin with antimony alloyed lead torpedo bulb and with upper flange recessed into hull, hi-tensile steel bolts

Epoxy coated

Faired to class tolerance

Single-point lift

Steering System

Foam filled rudder blade of GRP from female mould.

Rudder was replaced in 2015 with larger rudder epoxy coated and faired

Rudder bearings also serviced 2015

Original rudder included

Carbon/epoxy stock

An aluminium quadrant, wire steering with chain and sprocket, self-aligning rudder bearings

Roller bearing sheaves.

Twin composite pedestals integrated with cockpit sole with twin carbon fibre wheels, diameter 0.95 m. Lightweight aluminium emergency tiller

DECK

Deck Construction

Infusion moulded E-glass vinylester laminate sandwich deck with glass skins and closed cell foam core

High density core or compact laminate under winches and deck hardware as appropriate.

Deck Equipment

The pushpit, pulpit and stanchions in stainless steel.

600 mm high lifelines, with lower life lines at minimum ISAF/ORC height The Club Swan 42 carbon mast is supplied with a clear coat finish (recoated in 2014). The 15/16ths rig is set up for fractional upwind sails and masthead spinnakers.

Two sets of swept-back spreaders support the runner-less rig, and the Hall – Antal mainsail luff track accepts either a boltrope or slides. The hydraulic mast step adjustment enhances the tuning process. Hall constructed carbon-fibre bowsprit system with added bob-stay.

backstay.

speed.

of coach roof and companionway.

Navtec rod rigging with aramid

Cabin top winches 2 B 44.2

Mainsheet winches 2 B 53.2

Primary winches 2 B 60.3

Grab rails on each side

GRP Mouldings & Vents

Deck stowage on foredeck and in lazarette

Lockers for storage in cockpit coamings on both sides

Locker for storage in port side aft coaming

Hatches & Windows

Anchor stowage hatch

One foredeck hatch Lewmar size 60

One saloon overhead hatch Lewmar size 44

One ventilation hatch in head Lewmar size 03

Four fixed coaming windows

Two openable coaming portholes - in aft, galley and navigation area

Four openable coaming portholes in cockpit for aft cabins

One hatch to lazarette

Main companionway sliding hatch garage flush with coach roof.

The main companionway consists of removable plexiglass drop boards with designated stowage.

Sailing Hardware

Harken jib sheet tracks with floating adjuster system

Harken mainsheet traveller system

Harken halyard lead blocks

Spinlock clutches

Single-line inhauler system

Bowsprit and furler control lines led aft

Crossover sheave for halyards on both sides

INTERIOR

General

Interior finish: woodwork is in pear tree coloured wood fiddle and mouldings in solid wood

Lockable plywood floorboards covered with bamboo veneer

Interior cushions with dark blue covers

Overhead liner GRP moulding, bonded in place

Removable vinyl cover panels will provide access to deck hardware

Foam mattresses over Scandi-Flex battens

Forward Cabin

Double berth with stowage under

Removable support structure for racing

Reading lights above the berth

Locker with shelves and doors

Shelves on hull sides

Head / Shower

White GRP interior module with wash basin

Lockers outboards and doors in teak

Fresh water tap, shower, mirror and waste container.

Aft Cabins

There are aft cabins on port and starboard side (mirror image).

Double berth

Stowage under berth

Shelf on hull side

Hanging locker in starboard side cabin, locker with shelves in port side cabin

Saloon

Folding leaf table

Settee backrests fold up and convert into Pullman berths, storage behind backrests

Tanks below settees

Galley

Two burner alcohol stove with oven, protected by stainless steel guard

Stainless steel double sinks with fresh water tap

Formica counter tops and sink cover

Drawer and lockers

Top loading refrigerator 105 l gravity drained with valve

Garbage bin

General Arrangement

Nav Station

Forward facing chart table with seat

Chart stowage under table top

Chest of drawers

Engine Space

Removable front part of engine box incorporates teak ladder

Service hatches

Engine control panel recessed in cockpit

25 mm sound proofing

ENGINE & SYSTEMS

Volvo Penta D2-40 130 S marine diesel 29 kW 40 Hp.

Saildrive 2.19:1 and 2-blade 17" racing folding propeller.

140 l fuel in two polyethene tanks. Tank level indication for fuel.

Plumbing Systems

Fresh water 320 l in polyethene tanks. Pressurised hot and cold water.

Back-up foot pump for fresh water and Oras single lever mixing faucets.

Flush mounted composite closing sea cocks for all through hull fittings below waterline

Deck shower

Ventilation System

Engine space air inlet from deck.

Natural ventilation through deck hatches

Drainage System

Marine toilet using sea water for flushing.

Flexible holding tank 55L emptied by hand or deck suction.

Two manual and one electric bilge pump.

Refrigeration System

Battery driven refrigeration unit.

ELECTRICAL SYSTEM

Main distribution panel contains 12 V DC gauges and 110 V AC gauges and circuit breakers, lighted.

Bottom of mast, shrouds and stays are grounded to the keel.

DC System

12 V DC insulated return system for lighting and general service

Main switchboard 12 V DC outboard of chart table

Service battery of AGM type 12 V 2 x 160 Ah in saloon table base

12 V outlet at chart table.

AC System

Shore power 110 V AC system (220 V AC for EU boats)

30 Amp shore power cord and inlet

220v outlets one at nav station, one in forward cabin

Chargers/Inverters

115 A alternator with an electronic sensor

Inverter / battery charger

Lights

Red/green LED lights on pulpit

White stern LED light on pushpit

Steam light / deck light on forward side of mast

Recessed halogen dome lights overhead

Flexible chart light at navigation station

Red light above navigation station and in galley

ELECTRONIC SYSTEMS

Navigation Instruments

- Garmin GPS/Map 5212.
- B&G H3000 (2017).
- Icom M 504.
- Sitex Nav-Fax 200 receiver.
- Thrane & Thrane – Sailor 150 fleet broadband

Mast and Bulkhead Electronics:

- Port bulkhead – 2 x B&G H 3000 (2017).
- Starboard bulkhead – 2 x B&G H 3000 (2017).
- Mast display – 4 x B&G H 3000 (2017).

MAST & RIGGING

Clear coated carbon fibre double spreader fractional rig

Carbon retractable bowsprit in waterproof garage

Black painted aluminium boom and aluminium spreaders swept 20 degrees.

Mainsail track for all OD racing

Single line reefing arrangements for two reefs

Windex with light and one coaxial cable

Mechanical vang

Shims for mast adjustment

Combined mainsail luff groove and track system

Navtec rod rigging with discontinuous shrouds, Series 500 deck turnbuckles.

Holmatro hydraulic backstay system with twin carbon control panels in cockpit near mainsheet winches

EQUIPMENT

Owner's Manual in English.

Holmatro Hydraulic mast jack

OD certification from builder

Six winch handles

Safety Equipment

Remote control fire extinguisher in engine space.

4x fenders with covers

Horseshoe buoy with reflective stripes, light, rope, drogue, cover

Offshore flares kit

Medical Kit Table D with mounting bracket

Radar reflector
